Elegant granite sink Reginox Amsterdam 600 from Dutch manufacturer **Reginox**. Thanks to its clean lines and minimalist design, it fits perfectly in kitchens of any style, such as modern, Provence or rustic style.

The granite sink **Reginox Amsterdam 600** is very popular, especially for its appearance and ideal dimensions, which fit perfectly even into smaller kitchens.

The sink has a sufficiently deep basin (20 cm), where you can comfortably wash large baking trays or big pots. In the upper bar of the sink, there is space for drilling holes, for example for installing a kitchen faucet, a soap dispenser, or a button for controlling the kitchen waste disposer.

The advantage of a granite sink is its **color variability** and the possibility to match it with the rest of the kitchen, easy maintenance, and attractive design. The main advantages include excellent resistance to impact, scratches, and high temperatures.

Reginox sinks are characterized by a smooth surface, which prevents dirt from settling into the pores and makes them very easy to clean and maintain.
